

## AMENDMENTS TO THE DRAWINGS

Amendments to FIGS. 1 and 6 are requested and an Annotated Sheet for each is enclosed. In anticipation of the Examiner's approval of the requested drawing changes, Replacements Sheets are being submitted. In FIG. 1, reference numerals 1a and 1b have been added. As set forth in the amendment to the specification, reference numeral 1a pertains to the hood body while reference numeral 1b pertains to the edge that defines the opening. In FIG. 6, reference numerals 1a, 1b, 3a, and 3b have been added. As is clearly illustrated in FIG. 6, and as set forth as part of an amendment to the specification, the hem 3 has an outer face 3a and an inner face 3b.
